

SECRETARY OF THE SENATE

14 APR 23 PM 12:48

In its March 19, 2014, letter to Hagan for U.S. Senate, Inc. regarding the Year-End Report (10/01/2013 – 12/31/2013), the FEC asked for clarifying information regarding a number of entries. That information is provided below:

1. The contribution from San Pablo Lytton Casino was made from a tribe, not from a corporation.
2. The apparent excessive contribution from Naomi Aberly was the result of a duplicate record in our system. The duplicate record has been corrected and \$2,600 has been refunded to Ms. Aberly. The apparent excessive contribution from Ramon Combs was also the result of a duplicate record. The duplicate record has been corrected and an amendment has been filed to reflect that. James P. Eaton was refunded \$1,000 on January 10, 2014, as shown on page 2022 of the committee's quarterly report filed on April 15, 2014.
3. The apparent excessive contribution from McGuire Woods LLP PAC was the result of a duplicate record in our system. The duplicate record has been corrected and \$1,000 has been refunded to the PAC. It appears from its own FEC filings that Southwest Leadership Fund was a qualified multicandidate committee at the time the contribution was made.
4. A check was re-issued on November 18, 2013, to Well & Lighthouse to cover the services provided by the vendor. This disbursement is shown on page 1214 of the committee's quarterly report filed on January 31, 2014.
5. The committee has received confirmation from each of the committees listed that they had sufficient funds subject to the limitations and prohibitions of the Act to make the contribution.

Sincerely,

A handwritten signature in black ink that reads 'Lillie Snyder'. The signature is written in a cursive, flowing style.
